Dear Cousin;-

I recived the letter and package sometime time ago and thank you so much for the kimono. I haven't sent the other pair away because I haven't learned her address Uncle Charlie moved after Xmas so Nannie said she would let me know the address as soon as she heard.

We are all well now but have

been sick with colds. Aunt Nella had a real bad spell after Xmas.

I thanking you again for the blossoms, I am,

Most Cordially
